The Tift County Touchdown Club is a volunteer non-profit 501 (c)3 organization that is built by parents, alumni, local business owners and community supporters of the Tift County Blue Devils Football Program.

We support the Tift County football team for grades 9-12. The club's primary financial obligations are to pay for letterman's jackets for all lettering athletes, to pay for kickoff and end of year banquets, to provide one \$1,000 Gene Brodie Scholarship, and to provide financial support for the advancement of the football program. Please think about the cost of equipping a football team. 50% of the gate price at a football game goes back in the general athletic funds for all other sports. By supporting the football program thru the booster club, you help all the other high school sports as well. Many other exciting projects are planned to support this club such as the TCTD Membership Drive, maintaining a Blue Devil football website, having a pre-season kickoff meet and greet, numerous spirit contests, the devil walk and TCTD tailgating. Please visit our merchandise shop at the stadium, open during football games for any accessories, gifts, or clothing that are related to Blue Devil Football.
